

2025 Treasurer's Report.

We want to thank all the Churches and Individuals that have supported CBC whether by volunteering, praying or giving financially. This ministry wouldn't exist without your support.

Summer camp is such an integral part of our local churches in reaching our youth for Christ. But CBC is no longer "just" a summer camp, we offer many retreats that build up the Women, Men and Families in our churches. We provide support for many para church organizations by renting our facilities to them and providing a place to Escape, Encounter, and Engage with Jesus.

Financially, our needs continue to grow. We need your support to continue this mission of "Making Jesus Known".

Dave Moquist, Treasurer.
