June 22-25/July 20-23
- Jr Camp:**
June 8-13/July 6-11
- Jr High:**
June 15-20/July 13-18
- Sr High:**
July 27-Aug 1

A new year brings new opportunities for us. As you take a moment and glance back at 2019, I'm sure there are valley and mountaintop experiences. Most likely, you would be able to pinpoint how God was able to work in both. There may have been times we just couldn't see where God was working, but He was. He is always faithful in the good and bad moments of our lives. As we begin 2020, let us not forget that God will prove Himself faithful in the valleys and in the mountaintops. Billy Graham said "Mountaintops are for views and inspiration, but fruit is

grown in the valleys." As you begin this new year, I'd like to encourage you to remember a couple of things: First, God is and always will be faithful. Psalm 18:25 says "To the faithful, you show yourself faithful." If you are in a valley now, grow in God. Second, while on the mountaintop, enjoy the beauty that God has created. Take in all that He has already done for you and take a moment to encourage someone who may be climbing out of their own valley. May God continue to show Himself to you throughout the new year!

"We enjoy God on the mountaintops, but we get to know Him in the valleys."
-Craig Graeschel

2020 Summer Camp Theme

www.cooperstownbiblecamp.com

CBC is excited to announce the theme for 2020 Summer Camps! Introducing "The Battlegrounds: Winning Life's Battles." This summer we will see through God's Word, how to win some of life's toughest battles. Each week, campers will learn who our enemy is, where our strength comes from, and how to be victorious with the super-

natural power of Jesus Christ! Campers will be challenged to memorize verses, participate in many different activities, and grow in their relationship with Jesus Christ and with other campers. Registration is now open. Take advantage of the early registration discounts and register now!

Giving Hearts Day

Make sure you save the date! February 13, 2020. On this day, you'll have the opportunity to donate to CBC for matching funds all day long. From 6-8pm we will also be going live on Facebook for our annual Giving Hearts Day broadcast. Thank you to area and statewide business for partnering in a matching funds campaign.

During the two hour LIVE event, you will have the chance to win exclusive CBC merchandise and prizes, hear from camp affil-

ates, and have a chance to win our grand prize... two tickets to the Mercy Me & Jeremy Camp concert! You will not want to miss this LIVE event. If you have not yet liked or followed CBC on Facebook, please do so. For more information about this event, please visit our website.

From Our Executive Director

The Lord has blessed us with another year at Cooperstown Bible Camp and we are looking forward to embracing the excitement and enthusiasm that goes with it. Our winter weekends and retreats are filling in the calendar more and more every day. It is good to see the winter season as busy as the summer season. We thoroughly enjoy the busyness and hustle and bustle of our retreats. The comradery of being with and meeting new and old friends and "Making Jesus known" to all those who step foot on our campgrounds. As we continue to build on the "Structure and Stability" that was established in 2018, there are a couple of new items premiering in 2020. One is our Life Builders program. This is where you can channel your support in one of three ways.

Life Builders - The Life Builders category funds our operations directly through regular monthly giving or one-time gifts from individual, churches and businesses.

Included here are camper sponsorships and counselor/worker sponsorships.

Camp Builders - The Camp Builders category

funds our "brick and mortar" ...tangible things so essential to ministry - buildings, facilities, and systems.

This category embraces special projects each year in the \$50,000 to \$100,000 range, funded by significant gifts from individuals, churches and businesses. The Camp Builders category also includes occasional capital campaigns as needed.

Legacy Builders - The Legacy Builders category is typically large gifts, given to the CBC Endowment Fund to ensure a steady annual income to the camp in perpetuity. Gifts may be in cash, stocks, tangible property, even grain, stamp or coin collections. Gifts may be given from trusts, estates, businesses or individuals.

The other is our Internship program. We kicked it off last year for the first time trying to implement more college students into our camping program who have a specific skill set. We now have Adam our Program Director who has the skills and abilities to ramp it up to the next level. Our connections with the colleges and their advisors are increasing every day.

This winter season is packed full of events. Starting out with Alumni Retreat (not just staff from last year but all alumni). We would love to see you here! We also have the Marriage Retreat, Pastors Retreat (which is FREE to all pastors and their families), Fire and Ice, and Men's Retreat where this year our big headliner is Grant Adkisson a world renown hunting guide from Colorado who has a huge ministry of his own. This is one man you will not want to miss.

I personally want to thank all of those who have sent me scores of letters and notes of encouragement. It has been a blessing to Patricia and me to be involved with CBC for the last 20+ years and we will continue to do so with all the passion in our hearts.

-Timmy Bryantt

"We see how God was faithful to us this past year and look forward to seeing how He will do the same for this new camping season."
Adam

From Our Program Director

What an amazing first year we had! That's correct, we've completed our first year at CBC! God has been so good to us and it's so cool to look back and see how His hand had been working in our lives. We look forward to seeing how God will use us to bring Him glory here at CBC.

Camp has been quite busy over the last few months. We've had everything from guest groups to our yearly events such as Autumn-matics and Quilt Retreats. The highlight of our last quarter was heading to the CCCA Conference in Orlando, Florida this past December. This was such a wonderful time to recharge our batteries and learn new methods to improve areas of camp. We also took advantage

of this trip to celebrate our 10-year anniversary by spending a day at the Magic Kingdom. Alicia and I left Florida ready to implement all we learned and ready to get back to work because of the encouragement of hundreds of others camp workers that attended.

Now that 2019 has ended, we look forward to 2020. Our prayer is that God will show Himself in ways that continue to surprise us. The calendar is already filling up, which is very exciting to see!

We've also kicked off our 2020 CBC Church tour by visiting Newfolden the first Sunday of the year. If you have not yet contacted us to come to your church, let us know, and we would love to come visit.

As we gear up for the 2020 camping season, would you consider partnering in prayer with us? Here's a few ways: 1. Pray that God would continue to supply finances for camp. 2. Pray that God might use you to give to CBC financially. 3. Pray for those that are considering working at CBC during the Summer. 4. Pray for the full-time staff and their families that God would guide, protect, and encourage them as we begin 2020.

On behalf of my self and Alicia, thank you so much for allowing us to be a part of this amazing ministry here at CBC. We look forward to many more years!

-Adam Glombowski

Grant Adkisson at Men's Retreat!

SPEAKER:
GRANT ADKISSON

CBC is excited to have hunter Grant Adkisson as our speaker at Men's Retreat! Grant has an amazing resume when it comes to "big hunts". He has taken over 50 species of big game, a member of the Bowhunter Hall of Fame, and has been on many TV shows including Trophy Hunters TV, Realtree, and Eastman's. You won't want to miss this incredible opportunity to hear from Grant. Our

annual shoot out, 2 v 2 basketball tournament, and NEW corn hole tournament will be taking place. We are also raising funds for our new bathroom remodel project through our silent auction. For more information, to register for the Men's Retreat, or learn more about Grant, please visit our website www.cooperstownbiblecamp.com.

From the Maintenance Department

Hello, my name is Dusty Bryantt, I am the new maintenance supervisor. I started working here as of January 2nd, 2020. The former supervisor was my brother Tyler Bryantt, who recently married the love of his life. So much joy out to my brother who is moving forward in his life.

For those of you who don't know me, allow me to elaborate a little. Cooperstown Bible Camp has been an important place for me. I have been coming here since I was four years old. In that time I have been the camper to brave counselors, the helper to kind cooks, and the staff to wise directors.

At home my father taught me the trade of carpentry, and I learned the electrical trade at NDESCS. Both my parents and Cooperstown Bible Camp have

taught me the honor and glory of God and in time taught me to actively pursue his love and truth.

As the new maintenance supervisor, it is my goal to constantly improve all camp grounds. That means keeping facilities and equipment in perfect working condition and when the time is right, replacing it with something better. Therefore, when camp grows, we will grow with it; and when it changes, we will be ready.

While I am here for camp, I promise to give my best to camp so everything will look professional, beautiful, and clean. I also promise to give my full attention to camp problems and concerns.

What I hope to get from camp? I hope that when eventual problems come up, I will learn to practice my patience. With that in mind, I also look forward to practicing my leadership and communication skills when I have

staff working by my side.

A couple projects I'd like to see completed this year are:

1. Remodeling the downstairs lodge's bathrooms.
2. Installing new lighting on paths around camp.

I'm looking forward to working here and hoping to be a blessing to this wonderful camp!

-Dusty Bryantt

From Our Store

What's something most people do every day? Well, we probably have tons in common, but I'm thinking we might enjoy a cup of coffee. You can find a coffeehouse almost in any town. Coffee is even available at most restaurants, although coffee lovers can sift the passionate professionals from the amateurs.

C³ provides the coffeehouse environment you love conveniently located in the Ludvig Lodge. We've had customers compliment our consistent ratio in flavor, espresso, and milk and care in creating their drink in a timely fashion. C³ is adding new flavors and a fun camp theme specialty menu. It will provide an even more enjoyable experience at the camp store.

Our desire is to cultivate opportunities for conversations and connections between our staff and guests. Those relationships make all the difference. Moreover, the store continues to provide your favorite treats and CBC merch is always evolving.

As merchandise is sold, new merchandise is moving in. Unpopular candy, pop, and ice cream are discontinued, new arrivals make their debut. Signage and décor are removed, and new and existing signage are displayed in a more practical way.

Functionality is a priority even for a camp store. Our guests matter to us and hope these changes provide a better buying experience. If you haven't enjoyed the new camp store experience, we hope you come in and visit us on the next CBC event and have a latte or iced coffee with us.

-Alicia Glombowski

-Alicia Glombowski

Camp, Canteen, & Coffee

"Our desire is to cultivate opportunities for conversations and connections between our staff and guests."

-Alicia, Personal Relations and Social Media Director

Internships At Camp!

Cooperstown Bible Camp is pleased to announce the continuation of our Staff Internship Program in 2020. We are already contacting colleges in and out of state to provide an area where interns can minister and be ministered to.

CBC has established this unique opportunity to help qualified individuals in obtaining career-oriented work experience. Through this program, interns will gain professional development, training & certifications, and 21st century skills critical for success in today's world.

Qualifications for this program: College student entering into sophomore year, ability to designate 9 weeks of summer, pass background check, and have a positive attitude!

Areas for internship include:

- Food service management
- Office management
- Photography
- Camp programming
- Worship

For more information, please contact the office or email camp@cooperstownbiblecamp.com
