### BUILDERS PROGRAM

#### 1. Life Builders

The Life Builders category funds our operations directly through regular monthly giving or one-time gifts from individuals, churches and businesses. Included here are camper sponsorships and counselor / worker sponsorships.

#### 2. Camp Builders

The Camp Builders category funds our "brick and mortar" ... tangible things so essential to ministry – buildings, facilities, and systems. This category embraces special projects each year in the \$50,000 to \$100,000 range, funded by significant gifts from individuals, churches and businesses. The Camp Builders category also includes occasional capital campaigns as needed.

#### 3. Legacy Builders

The Legacy Builders category is typically large gifts, given to the CBC Endowment Fund to ensure a steady annual income to the camp in perpetuity. Gifts may be in cash, stocks, tangible property, even grain, stamp or coin collections. Gifts may be given from trusts, estates, businesses or individuals.

QUARTERLY NEWS AND HIGHLIGHTS  
ENCOURAGING FAMILIES AND CHURCHES  
TO GROW TOGETHER

SPRING | 2020

## COVID-19 FAITH OVER FEAR

### ACTION IS NEEDED NOW!

COVID-19 is affecting non-profits all over the states and due to this expanding virus Cooperstown Bible Camp has been affected drastically through finances with the cancellations of guest groups and retreats. As like all other non-profits, we depend on the donations from our faithful givers to support the ministry.

Our greatest need is to keep camp running. If God has blessed you financially, CBC is asking you to consider giving above and beyond toward our daily operational costs. With uncertainty of when this epidemic will end, our focus is making sure CBC stays financially stable. The positive impact we make on our future campers depend on the donations given today.

### “I have overcome the world!”-Christ

What an absolutely odd start to 2020. Here we are thinking that “2020 is going to be our year!” Now for some it still might be. For others, worry and fear drive the human heart. Life has been adjusted for us. Schools are now on-line, social distancing is now a thing, and states are shutting everything down. Let's face it, things seem to have gotten bad.

Remember though, as Christians, perspective is everything. Where are you looking at in this moment? Yes, our lives have been rattled by this pandemic, but do not forget, we serve a God bigger than this. He has promised us He will never leave our side (Heb 13:5). He has promised us all things work together for good (Rom 8:28). God knows what is going on and He isn't surprised by it.

Thank God for the finished work of Christ on the cross, the hope of eternal life for those who put their trust in Jesus. “I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.” John 16:33 The staff at Cooperstown Bible Camp is praying for you.

## From Our Executive Director:

We all know the verse in Jeremiah. “For I know the plans I have for you says the Lord. Plans to prosper you and not to harm you, plans to give you hope and a future.” This is either true or it is not. I strongly believe it is true. For us at Cooperstown Bible Camp, we are all extroverted and not having retreats or camps at this time is hard on us. We enjoy being around people of all ages. This time will pass and it is our duty to wait on the Lord. It is his timing and we need to “be still and know.” Since we have to be quarantined, we are grateful to be with the staff that live on site. It’s a blessing to work with them and hang out during our off time.

This being said, we still have things going on at camp. We all say there are things we need to catch up on, agendas to start and projects to complete. This is especially true at camp. We are busy getting ready for the Online NPD conference which will be a first for all of us.

### ON A FNIAL NOTE

I ask you not to forget your churches. They still need your support, and don’t forget to encourage your pastors and leaders. At Cooperstown Bible Camp we also covet your prayers and support. I thank you in advance for all that you continually do for us. Remember “The Lord will fight for you; you need only to be still.” Have a great spring. Exodus 14:14 -Timmy Bryant

MEN’S RETREAT HAS BEEN RE-SCHEDULED FOR AUGUST 21-23, 2020 REGISTRATION FOR THIS EVENT WILL OPEN SOON.

SPEAKER:  
**GRANT ADKISSON**

FOR MORE INFORMATION ABOUT MEN’S RETREAT OR ABOUT OUR GUEST SPEAKER GRANT ADKISSON, VISIT OUR WEBSITE: WWW.COOPERSTOWNBIBLECAMP.COM

## From our Program Director:

Here we are, the year 2020. Not what we had all expected to see happening this year. But we move along in the direction God leads.

Concerns about camps all over the country postponing or even cancelling have gone in and out of my mind on a daily basis. God is still good!! We may not be having retreats or guest groups of ten or more, but we still press on. Above all of the concerns about this virus, I look forward to seeing how God is going to use CBC.

We pray daily that camp will not have to be cancelled, and we are able to see all of our awesome campers this year. Even though we may not know what our immediate future holds, how awesome is it we have a God that does! Now, I am already preparing for our other retreats after camp such as Family Camp, Men’s Retreat, Women’s Retreat, and Autummatics. I am so thrilled with how things are lining up for the rest of the year.

Would you consider joining us in prayer over the next few months?

### What To Pray For

Here’s what you might want to include in your prayers:

1. Pray God would intervene with this virus.
2. Pray for our Summer Staff and their hearts before their arrival at camp.
3. Pray for our spring flooding, that it wouldn't be too bad.
4. Pray God would continue to use camp to make Jesus known and we would see lives transformed!

One last thing, CBC runs off of faithful givers like you. If God has blessed you with the ability to give, continue with your church and with camp. Praying for you all!

-Adam Glombowski

## Women’s Retreat 2020

We are excited to be able to announce our theme and speaker for 2020 Women’s Retreat. The theme will be “I Am Who You Say I Am” and the speaker will be Loree Veith, the Counseling and Women’s Director from Bethel church in Fargo, ND. More information will be on our website in the upcoming weeks.

## Office/Food Manager:

It has been so exciting for me to be able to minister to our guests through food by providing wholesome home cooked meals and accommodating our menu to include those with dietary needs.

I was able to serve several groups in January that included a work weekend, The Christian Motorcycle Assoc. (CMA), and Vikings for Christ. February was crazy busy with the Marriage and Pastor’s retreats, a work weekend, and Fellowship of Christian Athletes (FCA) guest group (one hundred and twelve of them. It was amazing to see young adults on fire for the Lord). March promised to be busy as well. I prepared to minister to our Men’s retreat (with 72 men registered). Unfortunately, we had to postpone the event to next Fall due to our speaker being unable to fly per doctor’s orders in the dawn of the CODIV-19 virus outbreak. I was able to freeze most of the prepped food except for the fresh vegetables and dairy products, which I was able to sell at cost to some of our neighbors. We were able to hold the Cabin Fever Quilting retreat since there were least than 10 registered for the event.

In the office side (as many of you know I run the office too) things have been running smoothly. We have made available online registration to all our retreats which has expediated the check-in process, and always finding ways to better serve you, the churches, and our guest groups by improving the way we communicate what’s happening at camp.

I thank you for continuing to support camp especially during these uncertain times and the loss of income for many of us. Thank you for your sacrificial giving,

-Patricia Bryant

## Media & Marketing Manager:

Giving Heart’s Day was a great success this year! We were able to celebrate \$20,202.14 raised in donations and matching funds! The event involved plenty of hard work and it paid off. I had the privilege of serving in brainstorming and planning as well as interacting with our Facebook audience during the LIVE event. It was such a blast giving our supporters a chance to win prizes such as CBC tumblers and carabiner mugs, even hockey, rodeo, and concert tickets. We can’t wait to make plans for Giving Heart’s Day 2021!

Thank you for your sincere love for Cooperstown Bible Camp during our biggest fundraising event. We couldn’t offer annual camp and retreat opportunities in sharing the gospel without your dedication and support.

If you have not yet “liked” our Facebook, Instagram, or Twitter pages, we’d love you to, so you can get updates about camp. Thank you!

-Alicia Glombowski

## Maintenance Manager:

In this issue of the camp’s newsletter, I will talk about: The Corona Virus effect on camp, and completed, current, and future projects of camp. The Corona Virus has affected everyone in the world, likewise it has also affected us. A blessing we should praise the Lord for is no one is sick, from our youngest to our oldest. Because the virus has caused a quarantine, some of our events have been postponed. This lack of campers has not however cut our list of work. We have a large list of tasks which have put our full attention to in this time of camp “hibernation”.

A recently completed project is the demolition of the downstairs lodge bathrooms. The contractor is now cutting the concrete so we can get the plumber to lay new pipe. We are anticipating the completion of the bathrooms and other tasks before summer. CBC purchased a large quantity of concrete bags to fill the cuts in the floor and

lumber to put the new walls up for the bathroom and pantry.

Some of the telephone poles for our high ropes course have been damaged by woodpeckers and need to be replaced soon. We would like to have all of our elements open for our campers this summer.

A prayer request of ours is the melting of snow and ice. While we are excited for spring, if the snow melts too quickly it will cause water levels to rise and flood.

Thank you for reading this newsletter and remember: Psalm 103:19 “The Lord has made the heavens His throne; from there He rules over everything.”

-Dusty Bryant.
